Video #26462014

1. Score the 5-1/2" x 8-1/2" Mossy Meadow card base at 4-1/4" & burnish the with a Bone Folder.
2. Run the 4" x 5-1/4" Soft Sea Foam through the Stampin' Cut & Emboss Machine and attach to the folded card base with Liquid Glue.
3. Cut the following die cuts using your Stampin' Cut & Emboss Machine:
 - a. Mossy Meadow: Postage stamp rectangle and leaves
 - b. Soft Sea Foam: Leaves
 - c. Strawberry Slush: Tulip head
4. Attach a 3-1/2" x 1" wide piece of Adhesive Sheet to the back of the Silver Foil Sheet. Cut the Beautiful word out with the die. Carefully remove the Adhesive Sheet covering from the back and attach the word towards the bottom of the postage stamp rectangle.
5. Use Stampin' Dimensionals to attach the postage stamp rectangle to the card front.

6. Use Mini Glue Dots to attach the Soft Sea Foam leaves behind the Mossy Meadow leaves, adjusting them so they appear off-set like a shadow.
7. Attach the tulip head with a double layer of Stampin' Dimensionals. Cover the top end of the stem.
8. Attach 3 silver Metallic Gems and you're done!
