Help make a difference in the lives of those who continue to suffer from the effects of the devastating earthquake that struck Haiti on January 12. From now until February 28, 2010, Stampin' Up!® will set aside \$2 from the sale of every I {Heart} Hearts stamp set and donate it to the American Red Cross' Haiti Relief and Development Fund. The Red Cross is already well-established in Haiti, and this money will be used to provide immediate relief and long-term support through supplies, technical assistance and other support to help those in need.
